Sir,

Levy of tolls within the limits of the Bannur Municipality

Adverting to your letter No L 9951-W R dated 13-1-1947 and in continuation of this office letter No D3-C 1600/46-7 dated 6-9-1947 on the above subject, I have the honour to forward herewith a detailed report No C6-46-47 dated 28-10-1947 received from the President Minor Municipal Council, Bannur, through the Sub Division Officer, Nanjangud Sub Division, together with connected records after observing the formalities prescribed in the Rules regulating the taxation of the Minor Municipalities and adopting the said rules in toto as required It has been stated in the resolution that no objections were received from the public A copy of Rules with Schedule V embodying all items subject to levy of tolls passed by the council is also enclosed

This is a question pending since 1933-34 The abolition of the levy by Government as unauthorised has seriously affected the finances of the municipality and the President has been urging over and again for getting

getting the introduction of tolls sanctioned early

Three toll gates are proposed to be opened - two permanently for the whole year and one temporarily for a period of 6 months in a year The two permanent toll gates are - one on Mysore-Seringapatm side (Government Middle School side) and another on Malavalli side (Bannur Santhemala side) Three peons at Rs 10/- each per month are proposed to be appointed permanently and in addition, one temporary gates for check of traffic passing across Cauvery from the Mysore side (vide - President's report No 146 dated 6-3-47 enclosed) In the budget sanctioned for 1947-48, a sum of Rs 3000/- is passed under receipts subject to sanction to the introduction of tolls

I request in the circumstances, that Government may kindly be moved to accord sanction to the introduction of tolls into the Bannur Municipality and the opening of 3 toll-gates at places mentioned together with establishment (3 peons @ Rs.10/- each 3x10x12 =360/- 1 peon @ Rs 10/- - 1x10x12 = 120/- Total Rs 420/- D A Extra) proposed therefor very early

Copy of Taxation Rules received with your letter No L 11469 dated 20-2-47 is returned The connected records also accompany

I have the honour to be,
